

Advertising and Sponsorship Program

Under the new management of the Skill Center, we are currently offering a limited number of advertising and sponsorship opportunities for local businesses that will be on display at our facility.

Our completely climate controlled facility includes state-of-the-art training equipment, certified instructors, pro shops (coming soon), and most importantly, a positive and constructive atmosphere. Thousands of athletes will utilize the facility on an annual basis, providing a consistent and dedicated customer base, which will be exposed to your advertising boards.
